Gentlemen:

This will acknowledge receipt of your letter, dated February 21, 1978, requesting Parts Manufacturer Approval for your A490, TS-(14 or 28) power supply. We have reviewed the design data submitted, and approval is hereby granted for the manufacture of this replacement part as indicated on the enclosed Production Approval Listing - Supplement No. 10. The enclosed data has been stamped to indicate our approval. Any changes must be submitted to this office for approval prior to incorporation into this part.

You are reminded that the provisions of the Federal Aviation Regulations noted in our letter of December 11, 1972, also apply to the enclosed Production Approval Listing - Supplement No. 10.

Sincerely,

Eugene L. Turner
