Whelen Engineering Company, Incorporated
Attention: Mr. Jack E. Gretta
3 Winter Avenue
Deep River, Connecticut 06417

Gentlemen:

Based on an examination of the data submitted with your letters dated July 20 and August 23, we are pleased to amend the enclosed Supplemental Type Certificates SA615EA and SA800EA.

Also enclosed is Production Approval Listing - Supplement No. 11 which authorizes the manufacturing and FAA-PMA marking of the RDA-DF power supply. Any changes to enclosed stamped data must be submitted to this office for approval prior to incorporation into this part.

You are reminded that the provisions of the Federal Aviation Regulations noted in our letter of December 11, 1972, also apply to the enclosed Production Approval Listing [REDACTED]

Sincerely,

SUPPLEMENT No. 11
