### Mounting Instructions:

1. Insert 2 fastex grommets into housing clamp as shown.
2. Hold the grille mount housing onto the mounting area of the grille where the lighthead will go (*See Illustration*), while at the same time holding the mounting bracket onto the back of the housing.
3. Secure the housing onto the grille using the 2 sheet metal screws supplied.
4. Now you may install your 43 series lighthead into the grille mount housing as shown below.

**IMPORTANT:** The outer surfaces of this product may be cleaned with mild soap and water. Use of any other chemicals may void the product warranty. Do not use a pressure washer.
