

WHELEN[®]

ENGINEERING COMPANY INC.

51 Winthrop Road,
Chester, Connecticut 06412-0684
Phone: (860) 526-9504
Fax: (860) 526-4078

Installation Guide: LED Lighthouse Load Module

Internet: www.whelen.com
Sales e-mail: autosale@whelen.com
Canadian Sales e-mail: autocan@whelen.com
Customer Service e-mail: custserv@whelen.com

The LED load module should be mounted on a metal surface to aid heat dissipation. Be sure that this surface is not one that either generates or is exposed to excessive heat during normal operation of the vehicle. Do not select a location where the module will be exposed to potential damage from any unsecured equipment in the vehicle. When routing the wires, keep them away from excessive heat and any equipment, such as trunk lids, door jams etc.
