SlimLighter Super-LED

FEATURES

- Super-LEDs produce super bright light output that provides direct and wide angle warning that rivals strobe in intensity.
- Long life. LED's are rated for 100,000 hours of operation of heavy-duty use because they have no glass or filaments to break.
- Low current consumption.
- Highly effective wide angle and straight on light output.
- Perfect size for windshield, dash, deck or headliner.
- Clear outer lens.
- 21 selectable Scan-Lock™ flash patterns.
- Features built-in On/Off switch, 8' cord with cigar plug and LED "On" indicator.
- Swivel bracket for permanent or suction cup mounting, standard.
- Lightweight polycarbonate housing with rounded corners is safer for use inside the vehicle in the event of an accident or airbag activation.
- Color combinations in; amber, red, blue and/or white.
- 5 year HDP® Heavy-Duty Professional warranty.
- Dimensions: 1-5/8" (42mm) H x 16-3/8" (416mm) W x 1-13/16" (45.5mm) D.
