

**NEW** PRODUCT!

# SpecTIR™ Series

## COMPETITOR™ SERIES LED DASH LIGHT

Officially Licensed  
Warning Lights Of  
NASCAR®

**Dash mount pint-sized light that throws a full-sized punch!**

**Whelen reliability in an economical LED dash light specifically designed with the volunteer market in mind.**

High output, GEN3 LED technology produces incredible high intensity warning in a compact design that fits easily and snugly to the windshield. Eight high intensity LEDs are available in single or split color combinations at a surprisingly low cost. Each light provides multiple Scan-Lock™ flash patterns and includes an eight foot cord with cigar plug with On/Off switch and LED On indicator.

### FEATURES

- High performance/low cost warning.
- Available in single or split colors.
- LED module alignment screw easily adjusts light module angle for maximum light intensity for any windshield angle.
- 17 total Scan-Lock flash patterns to choose from allowing for seven patterns that simultaneously or alternately flash, plus two California patterns and ActionScan™ standard.
- Three suction cups securely hold dash light to the windshield.
- Eight foot cord with cigar plug and On/Off switch with LED On indicator.
- 12VDC with super low current draw: .6 amp solid/.3 amp split.
- 5 year warranty.
- Dimensions: 7" W x 7 3/8" L x 3" H (without suction cups).
