

OS Series Lightheads

SMALL OVAL SURFACE MOUNT MULTI-PURPOSE LIGHTING

The small solution and versatile answer for putting LED lighting virtually anywhere on your vehicle!

Small oval LED lighthouse with chrome housing and Clear lens. Available in flashing or steady-burn auxiliary warning, White illumination, and marker/clearance. Add a remote LED flasher to the steady-burn warning model and choose up to 60 flash patterns.

This light is small enough to tuck just about anywhere you need additional warning or illumination. 45° angled bezel model illuminates step surfaces for a sure step every time. Extreme low amp draw lets you add as many as you want.
