

LINZ6™ Super-LED® Lighthouse

HORIZONTAL MOUNT

LIGHTHEADS

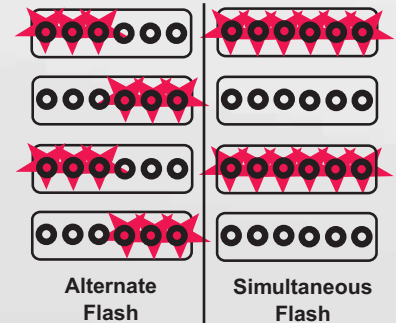

Here's a rugged little powerhouse that shrugs off moisture and road shock while giving you "heads up" performance... anywhere on your vehicle!

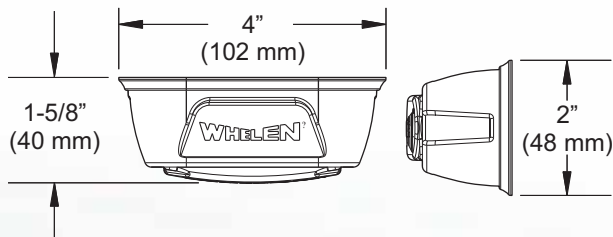

FEATURES

- A sub-compact, full-featured LED lighthouse with wide-angle light spread which can be mounted virtually anywhere.
- Clear non-fluted lens and black ABS flange standard, optional chrome flange available.
- Whelen patented Linear-LED® wide-angle optics for maximum visibility.
- Minimal current draw and designed for heavy-duty, vibration, moisture and corrosion resistance.
- SmartLED® design requires no external flasher.
- Split colors available.
- Surface mounted with no external flasher, easy to install.
- 69 Scan-Lock™ flash patterns for split colors, 25 flash patterns for single color. Includes steady-burn.
- Eight Scan-Lock flash patterns allows for alternate or simultaneous flash of each color segment (3 x 3).
- The "synch" interconnect wire allows up to eight lighthouses to be synchronized together.
- Fully encapsulated electronics provide full moisture and vibration protection.
- Amp draw: 750mA (max), 300mA (low).
- 12 VDC.
- 5 year warranty on LEDs.
