

NEW PRODUCT!

Rack-Pod™

DESIGNED FOR TRACRAC™ CARGO MANAGEMENT SYSTEMS

Officially Licensed
Warning Lights of NASCAR®

Compact end light pods mount high on TracRac™ Systems. Rack-pods are designed to stay clear of ladders, lumber and other bulky equipment that are carried on these racks.

FEATURES

- Two stylish designs to choose from, mounts to ends of either TracRac Systems.
- Sleek, aerodynamic, heavy-duty, polycarbonate housing is designed for improved fuel economy over standard lightbars.
- Both styles are sold in pairs, with three amber LIN3™ Super-LED lightheads and 15' cable per pod.
- Low profile design will not hinder access to garages, etc.
- Eliminates the need for cab roof mounted lighting.
- Easy installation, no drilling into the vehicle's roof or dropping the headliner to run wires.
- Ladder safe, mounts to the end of the rack thereby staying clear of ladders, lumber and other heavy-duty material.
- SmartLED® design requires no external flasher.
- Pods can be synchronized together for use as a system.
- Fully encapsulated electronics provides full moisture and vibration protection.
- 12 VDC.
- 5 year warranty on LEDs.
- Available in amber. For other safety colors, contact factory.
- Size: 1-1/2" (38mm) H x 8" (203mm) D x 6" (152mm) L; 2.5 lbs.
