

# Model 295SLSA1

**NEW PRODUCT!**  
PRELIMINARY BULLETIN

## ELECTRONIC SIREN AMPLIFIER (Patent Pending)

**"Hands Free" lets you keep both hands on the wheel, both eyes on the road and access three siren tones and On/Off. Scan-Lock™ feature lets you choose from 17 siren tones to preset during siren installation.**

A compact, self-contained unit that is backward compatible to the 295HFSA1 and slightly shallower in design for under-dash/console mounting. Now you can access siren tones using the Scan-Lock feature or check on/off status of your siren via an icon on your video system. 295SLS Series sirens are full function plus radio repeat and public address.

### FEATURES

- Selectable 100 or 200 watt output.
- Hands-free operation plus 17 Scan-Lock siren tones to choose from.
- User selectable siren tones at time of installation via a momentary switch located on the back of the unit secures siren tones for agency standardization.
- Customize the placement of each siren tone on the rotary knob.
- "Siren in use" icon driver.
- Faceplate volume control knob.
- Five-year warranty on amplifier.
- Two manual functions allow for additional siren tone choices.
- PTT (push to talk) switch on microphone overrides all siren functions.
- Combination On/Off and horn ring transfer switch.
- Pre-wired unidirectional microphone.
- Optional plug-in microphone.
- Adjustable preset radio repeat volume.
- Input polarity protection.
- Output short circuit protection.
- External spade-type fuse.
- Bi-polarity horn/ring control activation.
- "Aux Enable" activates siren tones via input (slide switch, power controls or relay-to-ground connection).
- Quick disconnect plug for ease of service or replacement.
- SI TEST®, fully diagnostic silent test of amplifier and speaker(s).
- Adjustable intensity backlighting in soft LED non-glare green.
- Adjustable bail bracket allows the mounting of the siren in a variety of positions.
- Complements all Whelen's under dash products.
- Optional 24 volt DC model available, contact factory.
- Dimensions: Height 2-1/2" (63mm) H x 6" (152mm) W x 7" (178mm) D .
- Weight: 3 lbs. 12 oz. (1.7kg)
