

Power Airhorn™ & Power Airhorn Plus™

MODEL PAH112 AND PAP112

PAH112
Power Airhorn™

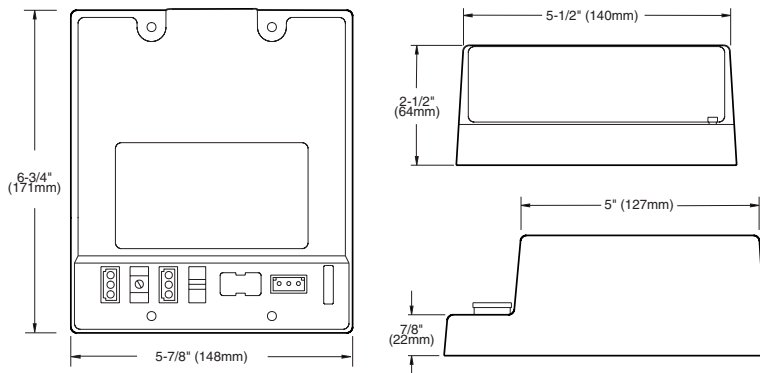

PAP112
Power Airhorn Plus™

Perfect for volunteer fire personnel, security, escort and undercover vehicles.

FEATURES

- An inexpensive supplement to your car horn sound level with a legal* air horn tone.
- Delivers 100 watts of power to a 100-watt siren speaker.
- Can be wired remotely to the horn ring of the vehicle or to a (customer-supplied) switch.
- The same familiar airhorn sound used by Police, Fire & EMS.
- Sturdy amplifier housing mounts in the trunk, under the seat or other remote locations.
- Model PAP112 Power Airhorn Plus features a high gain microphone and public address capability with adjustment for PA volume.
- May be used with standard 100-watt siren speakers such as Whelen SP123DB and SA314P. See Whelen literature for a complete listing of appropriate speakers.
- Draws 8 amps at 12.8 VDC.
*in most states
