

WSSC30 30-Watt Combination Siren/Speaker

NEW PRODUCT!

Heavy-duty, compact 30-watt amplified siren ideal for use on motorcycles, ATVs, snow mobiles, etc. Hands-free operation lets you keep both hands steering while accessing warning tones. Choose from four modes of operation and ten tones.

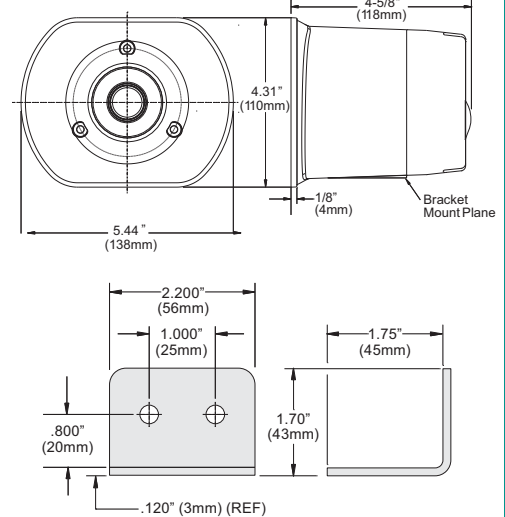

(Water resistant rubber plug shown removed to show mode switches and fuse).

FEATURES

- Combination siren and speaker in a single compact unit.
- Hands-free operation for Wail and Yelp tones.
- Air horn switch produces air horn as a main tone plus override tone.
- Two way "L" mounting bracket.
- Rugged aluminum housing plus water-resistant connectors for vibration and moisture resistance.
- Requires two customer supplied switches.

DIMENSIONS

MODELS

WSSC30: 30 watt Siren and Speaker Combination.

WSSC30HK: Harness kit allows synchronization of two WSSC30's.
