

# WS400H SPEAKER

## Economical Speaker for Mass Notification Applications

***Whelen's unique WS400H Speaker is a single 400 watt speaker, the only one of its kind in the Mass Notification industry.***

### **SPEAKER FEATURES**

- 400 watt directional speaker assembly
- Weather-proof, fiberglass speaker flare
- Powder painted, spun aluminum re-entrant horn section
- Corrosion-resistant, cast aluminum housing provides a protective, weather-proof enclosure for the driver and wiring terminals
- Two feet of 16AWG, 2/C cable exits through the bottom of the speaker for field wiring
- Heavy-duty, painted bracket allows installer to flush mount the speaker and angle it down approximately 15 degrees
- Optional pole mount bracket (WS400HPM) is available
- Cable is available - 14AWG for 0-100' runs, 12AWG for 100'-200' runs
