***CANNOT BE RELIED ON
IN AN EMERGENCY!!***

*The **ONLY** reliable means of
instant mass communication
to your community is a
Stationary Outdoor Warning System...
that delivers clear voice messages
to eliminate confusion,
restore order and save lives.*

Since 1976

WHELEN[®]

*has proudly designed, and manufactured
voice message notification systems
which are relied upon around the world.
All products and component parts are
manufactured and assembled
in two facilities in the USA.*
