## PRODUCT UPDATE

Effective, June 29, 2018, the Pioneer Summit™ Series will no longer be shipped with a 12" cable and Deutsch® waterproof connector preinstalled.

In addition, the optional 1' cable (SUCBL1) will also be discontinued.

Moving forward, all models will be supplied with a 30" cable, connector, and heat shrink tubing. Some assembly is required. Link to installation guide, [www.whelen.com/install/14B/14B80.pdf](http://www.whelen.com/install/14B/14B80.pdf).
