

Bolt-On Mounting Platform

Whelen's QuickFit is designed for fast and effortless installation. The bolt-on system securely mounts QuickFit with no cutting or drilling, for a strong and secure rooftop mount.

FEATURES

- Mounts a variety of emergency lighting without any vehicle damage, including Whelen beacons and the following mini lightbars: Responder® LP/HD, Mini Century™, Mini Liberty™ II, and Mini Legacy™
- Vehicle specific vacuum formed install kits provide a perfect fit
- Durable Black powder-coated aluminum construction
- Bolt-on installation system with fixed brackets requires no cutting or drilling, providing peace of mind when used on both leased trucks and aluminum roof structures
 - Quickly and easily mounts using the screw holes of the vehicle's third brake light
 - The third brake light remounts to the QuickFit platform
 - Wiring is simple to install through the existing third brake light opening, without removing the headliner
- QuickFit is designed to keep a level mounting surface for the life of the install
- The usable mounting area is approximately 7.25" (184.15mm) W x 17.25" (433mm) L
- Includes mounting bracket
- Two year warranty

Shown with optional Responder LP
