MA:0005 • 4/14/2022

Whelen Engineering announces a Product End of Life (EOL) notice for our Inner Edge LC DUO XLP lightbars.

The last day to order these models is May 16, 2022. All orders must be for immediate shipment, no scheduled orders allowed.

Available alternatives are the Inner Edge WeCan® DUO and Inner Edge WeCanX® DUO. A control point will be required for WeCan and WeCanX models if not used with a control system, like CenCom Core®. The SOLO™ version of the Inner Edge LC XLP is still available for current model vehicles.

Please contact your Whelen sales representative with any questions.

Thank you for your continued support of Whelen products.
