

Whelen Engineering announces a Product End of Life (EOL) for the original models of Perimeter Enhancement Lights. The last day to order these models is **March 31, 2023**. Please note that new orders for the discontinued models must be for immediate shipment only. Scheduling orders for delivery at a future date is not allowed.

Now available to order as replacements are the new Perimeter Enhancement Lights (PEL2). PEL2s now come in a single-model 10-30V light with upgraded heat management technology that extends the life of the LEDs. With new color options to choose from like red and yellow, PEL2s deliver high-intensity, downward projected white ground lighting to illuminate the work area around emergency and utility vehicles. Please refer to the table below for new model numbers and contact your Whelen sales representative with any questions.

Perimeter Enhancement Light Model (EOL)	Description	Perimeter Enhancement Light 2 Model (Replacement)	Description
PELCB	Black, 12VDC	PEL2B	Black, 10-30 VDC
PELCB4	Black, 24VDC	PEL2B	
PELCC	Chrome, 12VDC	PEL2C	Chrome, 10-30 VDC
PELCC4	Chrome, 24VDC	PEL2C	
PELCR	Red, 12VDC	PEL2R	Red, 10-30 VDC
PELCW	White, 12VDC	PEL2W	White, 10-30 VDC
PELCY	Yellow, 12VDC	PEL2Y	Yellow, 10-30 VDC

Please contact your Whelen sales representative with any questions.
