

Whelen Engineering announces a Product End of Life (EOL) for certain models of the Hundred Series Halogen Backup Lamps. The last day to order these models is **March 31, 2023**. New orders for the discontinued models must be for immediate shipment only. Scheduling orders for delivery at a future date is not allowed.

Please reference the table below for suggested LED replacement models. Our Hundred Series Super-LED® Backup Lamp models are more energy efficient and last up to ten times longer than traditional halogen bulbs.
