

Whelen Engineering announces a Product End of Life (EOL) for first-generation Strip-Lite Series Lighthoods. The last day to order these models is **March 31, 2023**. New orders for the discontinued models must be for immediate shipment only. Scheduling orders for delivery at a future date is not allowed. Please note this notice only affects the first-generation models (see table). Strip-Lite Plus and Strip-Lite Plus XL models are not affected and are available for continued ordering.

Suggested replacement models for the Strip-Lite Series Lighthoods are listed below and feature upgraded LEDs that last longer and are more energy efficient than first-generation models.
