

Whelen Engineering announces a Product End of Life (EOL) for the Halogen Rotator Option for the 4500 Series Lightbar. The last day to order this option is **April 19, 2023**. New orders for the discontinued models must be for immediate shipment only. Scheduling orders for delivery at a future date is not allowed.

Please reference the table below for the suggested LED replacement model. The ROTA-BEAM™ Super-LED solid-state rotating module is more energy efficient and has no moving parts for longer life and durability.

Thank you for your continued support of Whelen Products.
