

Introducing **Core-S**, the **NEWEST** addition to Whelen’s industry-leading Core® family of control systems! Core-S is a true, one-box solution engineered for performance, designed for vast configuration, and built to scale with your needs. An all-new space-saving design allows for installation in tight spaces like in a console or under a dash. And installation has never been easier with connector placement specifically designed for installation in hard-to-reach areas. Core-S features siren, input/output, and control functionality in one compact box along with an integrated control head.

### Product Features:

- Vehicle-to-Vehicle Sync
- Dynamic Variable Intensity™ light patterns
