

M9 EZ Scene Light™

M92SLC

The M9 EZ Scene Light features expanded zone efficiency, enhanced optics, and increased functionality to provide a powerful scene lighting solution for every situation. Plus, select from multiple turn-on styles and low-power settings for more efficient lighting output and performance. M Series lightheads feature a unique lens shape and patented Linear-LED® reflector assembly for unmatched high-intensity illumination with low current consumption.

The M9 EZ's dynamic functionality lets you shine the light where you need it the most.

FEATURES

- Redesigned optic aesthetics, light output, and light pattern optimizes light dispersion
- Gradient Opti-Scenelight™ technology enables efficient use of light
- Hard-coated lenses minimize environmental damage from sand, sun, salt, and road chemicals
- Selectable turn-on functionality
 - Multiple turn-on styles ranging from instant to gradual (Slow, Medium, Fast, Instant)
 - Three low-power settings provide situation-specific lighting for a variety of scenarios
- Surface mount
- Includes a 6" pigtail

SPECS

- Voltage: 12VDC or 24VDC
- Amps: 9.0 Amps at 12VDC
4.5 Amps at 24VDC
- Warranty: Lifetime warranty
- Dimensions: 2.63" D X 10.82" L X 8" H

M9 EZ Scene Light

M92SLC	White, Includes Chrome Flange, Slow Ramp Up, and Ramp to Low Power Features, 12VDC
M92SLB	White, Includes Black Flange, Slow Ramp Up, and Ramp to Low Power Features, 12VDC
M92SLC4	White, Includes Chrome Flange, Slow Ramp Up, and Ramp to Low Power Features, 24VDC
M92SLB4	White, Includes Black Flange, Slow Ramp Up, and Ramp to Low Power Features, 24VDC

900 EZ Scene Light™

904SLC

Our premium 900 EZ Scene Lights provide optimal versatility and performance. Featuring high-intensity white illumination with expanded options and functionality, these adaptable lightheads supply powerful scene lighting for a wide range of situations. 900 EZ Scene Lights also offer multiple options for vehicle applications and are installed easily.
