

EZ SCENE LIGHTS™

PROFESSIONAL ILLUMINATION LIGHTING

Control the scene with Whelen's
versatile scene lighting

WHELEN[®]
MANUFACTURED IN AMERICA

M9 & M6 EZ SCENE LIGHT™

M92SLC

The M6 and M9 EZ Scene Lights feature expanded zone efficiency, enhanced optics, and increased functionality to provide a powerful scene lighting solution for every situation. Plus, select from multiple turn-on styles and low-power settings for more efficient lighting output and performance. M Series™ lightheads feature a unique lens shape and patented Linear-LED® reflector assembly for unmatched high-intensity illumination with low current consumption.

- Redesigned optic aesthetics, light output, and light pattern optimize light dispersion
- Gradient Opti-Scenelight™ technology enables efficient use of light
- Hard-coated lenses minimize environmental damage from sand, sun, salt, and road chemicals
- Selectable turn-on functionality
 - Multiple turn-on styles ranging from instant to gradual (Slow, Medium, Fast, Instant)
 - Three low-power settings provide situation-specific lighting for a variety of scenarios
- Surface mount
- Includes a 6" pigtail

SEL EZ SCENE LIGHT™

Lighthouse shown without flange

Improve emergency scene and work zone visibility with our new SEL EZ Scene Light™. Scene Enhancement Lights offer better zone illumination by projecting light out and down for an expanded view of the area. SEL EZ Lights are quick to install and have a sleek, low-profile footprint for easy mounting in various applications, including tight spaces where depth is a concern.

- Light is projected down and out for increased visibility and expanded view of work areas
- Sleek, low-profile, Strip-Lite™ style footprint
- Patented E Block™ technology prevents moisture from entering the lighthouse
- Selectable turn-on functionality
 - Multiple turn-on styles ranging from instant to gradual (Slow, Medium, Fast, Instant)
 - Three low-power settings provide situation-specific lighting for a variety of scenarios
- Hard-coated lenses minimize environmental damage from sand, sun, salt, and road chemicals
- Low current consumption
