

Inner Edge® FST™ Series

SUPER-LED® FRONT LIGHTBARS

The newly designed, low-profile Inner Edge FST Series better utilizes vehicle contours, providing higher visibility and a custom fit. Whelen's all-new, Proclera® Silicone Optics increase clarity and have the power to punch through tints. The Inner Edge FST Series is available with SOLO™, DUO™, or TRIO™ technology.

The Inner Edge FST Series now features BroadBand Blue™. BroadBand Blue delivers a higher intensity, creates a larger optical image, and produces a more consistent color, all while being easier on the — eyes especially at night.
