400 Series Plus
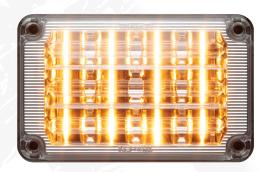

WARNING LIGHTHEADS

SOLO™ **DUO**™

Designed for lower-level mounting, the **400 Series Plus** warning lighthead builds on the original 400 Series' reputation for commanding attention with its versatility and performance. The improved lightheads have been refined to decrease wear and tear on a truck's electrical system with a lower amp draw and stand up to severe weather with our patented E Block™ technology, which prevents air and moisture from entering the unit. Lightheads are available with steady or flashing warning lights, and **SOLO**™ or **DUO**™ technology. Vertically mounted 400 Series Plus warning lightheads used in DOT systems also include a fluted lens to enhance light spread.

FEATURES

- SAE Class 1 and CA Title 13 certified (Amber horizontal and vertical lights)
- Linear-LED® technology
- DUO models include White override option when Color 2 is White
- Synchronize with other Whelen sync products
- Built-in flasher included with SmartLED® models
- IP67 rated for dust and water resistance
- E-Block technology prevents air and moisture from entering lighthead
- 12/24 VDC
- Conformal coated electronics for moisture and vibration resistance
- Amp Draw: 0.8A at 12.8V, 0.4A at 25.6V
- Same mounting footprint and accessories as the original 400 Series

404*OS*R	SOLO Steady, Clear or Color Lens
404#0SCR	DUO Steady, Clear Lens
404*0Z*R	SOLO SmartLED, Clear or Color Lens
404#0ZCR	DUO SmartLED, Clear Lens

*Replace symbol in model number with letter indicating desired color: A = Amber, B = Blue, C = White, G = Green, R = Red
Replace symbol in model number with letter indicating desired DUO colors: D = Red/White, E = Blue/White, F = Amber/White, J = Red/Blue, K = Red/Amber, M = Amber/Blue, P = Amber/Green

OPTIONS

4EFLANGE	Chrome-Plated Flange Kit (Not for use with Linear-LED® and Super-LED®), Surface Mount 5mm and Single-Level Super-LED Only
4FLANGEB	Black Flange Kit (Not for use with Linear-LED and Super-LED), Surface Mount 5mm and Single-Level Super-LED Only
4TSMAB	Black Super-LED Surface Mount Adapter, Linear-LED and Super-LED Only
4TSMAC	Chrome-Plated Super-LED Surface Mount Adapter, Linear-LED & Super-LED Only
4EGRILP	Grille-Master™ Chrome Housing with Swivel Bracket. Not for use with LED/Halogen Combination Models
4EGRILB	Grille-Master Black Housing with Swivel Bracket. Not for use with LED/Halogen Combination Models
4BKT1	Universal "L" Mounting Bracket for 400 Series Lighthead, must be used with 4TSMAB or 4TSMAC Flange
