

SAK Speaker Bracket for 2023 Ford Super Duty

NEW PRODUCT • MARKET ADVISORY

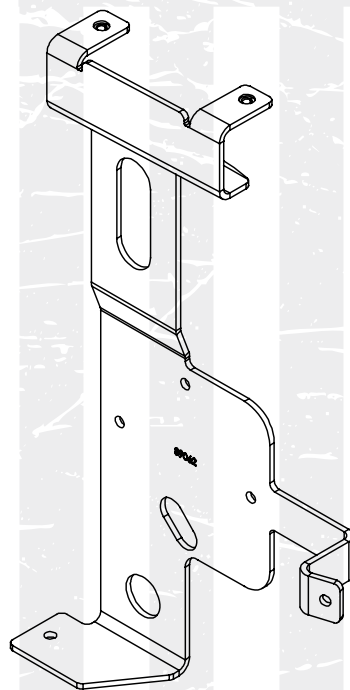

MA:066 • 01/2024

New SAK Speaker Brackets are now available for 2023 Ford Super Duty vehicles. The new Brackets mount SA315P and SA315U speakers behind the vehicle grille, eliminating interference with any OEM equipment, like factory-installed fog lights. The Brackets are easy to install and allow mounting of two speakers to the vehicle, one on the driver side and one on the passenger side.

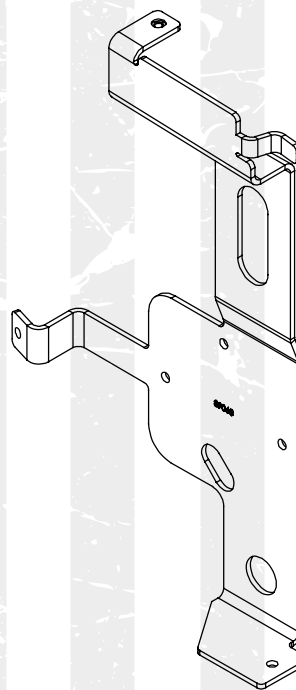

Please contact your Whelen sales representative with any questions.
